## Wedding Weekend

Open to everyone who was married in St. George's, as well as current parishioners. Couples can renew their vows in one of three services as we celebrate the role St. George's has played in forming so many marriages and families over the generations.

## The Anniversary Project

To honour St. George's legacy of faith and service, we want to do something for the future of our church as well as something to reach out to those in need.

Our goal is to raise \$70,000 for the refurbishment of our historic pipe organ, as well as to provide clean water for a home in the First Nations' community of Pikangikum, Ontario.

A 225th memorial plaque will be erected to commemorate memorial donations to our project.
